

The Pennsylvania Farmland Raptor Project

Have you seen one of us on your farm?

(Barn Owl, American Kestrel, Short-eared Owl or Northern Harrier)

Complete the following form and return to: Hawk Mountain Sanctuary, Attn: Farm-Friendly Raptor Project, 1700 Hawk Mountain Rd. Kempton, PA 19529. If you would like more information about these raptors, the habitat they need, or providing nest boxes for Barn Owls and American Kestrels you can visit our website to learn more.
